October 27, 2020

Dear Governor Wolf, Speaker Cutler, and Senate President Pro Tempore Scarnati,

We clergy and religious leaders from across Pennsylvania have a sacred duty to stand up and speak out for the well-being of our Commonwealth and its families. The right to vote, to have your vote counted, and to know that election results will be honored is fundamental to our democracy.

We urge you to affirm publicly your commitment that every vote cast in the Pennsylvania General Election will be counted and that once the counting is complete you will honor the will of the voters.

Under state law, each Pennsylvania voter may vote in person on November 3 or through a mail-in or absentee ballot. During this continued pandemic many of our members, their loved ones, and others will vote through mail-in ballots. To ensure that counting is completed as soon as possible and can be certified by December 8, we strongly urge you to resume your negotiations to make it possible for county election offices to begin pre-canvassing absentee ballots well before November 3.

Our democracy is being tested. Other nations resolve contested, high-conflict elections through electoral shenanigans and coups. That is not the American way nor the Pennsylvania way. We will not tolerate efforts to disenfranchise anyone based on how they vote. We insist that every vote must be counted and included in the final results, regardless of how long that takes.

Pennsylvania played a vital role to abolish slavery, to establish the principle of one-person-one-vote, and to assure equality and inclusion. Our deep moral commitment to justice and democracy will not allow us to standby and see Pennsylvania become a place where democracy is undermined.

We remind you of your moral obligation: you swore to support, obey, and defend the Constitution of the United States and the Constitution of the Commonwealth of Pennsylvania. You swore to discharge the duties of your office with fidelity. We expect you to live up to the values that you committed to when you placed your hand on the Bible: to administer this election with fidelity and to do everything in your power to

condemn and prevent any efforts to impede the right to vote. Please contact Bishop Dwayne Royster at [droyster@powerinterfaith.org](mailto:droyster@powerinterfaith.org) for more information.

Sincerely,
